Burying resources in the ground is unhealthy

Key Objective of Waste Levy

- “change behaviour” Minister Kate Jones

Old Fashion “crunch and dump”

How much is this worth?

Depends of the value?

What about a price for this?

What about \$3,500 as a table
from 8 pieces of timber?

Handy Hints

- Sort on site
- Contact licensed timber recyclers
 - Kennedys
 - Big Red Shed
 - Calymax

NOTE: Every ton diverted from landfill saves
\$50-\$200/ton!!!!

From 1st December what do you see?

- Thanks for listening
